

Mock Interview – Evidence of learning

Student: Keitumetsi M.

Module: Project Presentation 3

Term: 2

Lecturer: P. Inderlal

Description of Evidence

This document serves as proof of participation in the **Mock Interview** activity. The mock interview was conducted to help me practice professional interview etiquette, communication, and confidence-building for real job interviews.

Summary of Activity

- Conducted a full mock interview with standard job interview questions.
- Practiced body language, tone, and structured answers using the STAR or CAR technique.
- Received verbal feedback on confidence, clarity, and areas to improve.
